## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-31 are allowable over the prior art of record.

The following is an examiner's statement of reasons for allowance: Applicant has claimed uniquely distinct features in the instant invention which are not found in the prior art either singularly or in combination. They are a first electronic device that is configured to receive system information from a second separate source electronic device, wherein the system information identifies at least one hardware components that resides in the source electronic device and a configuration of the source electronic device, and wherein the first electronic device displays a graphical representation of the system information of the source electronic device. These features are not found or suggested in the prior art.

The closest prior art, Nawaz discloses a conventional for dynamically displaying data items on a client computer; either singularly or in combination, fail to anticipate or render the above limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
